F.I.T. SERIES

F.I.T. ICE BOA®

The F.I.T. Ice BOA® is loaded with tech and functional features, making it the premier model in our ice skate line up. While all our skates feature the legendary comfort of K2's Original SoftBoot® design, the F.I.T. Ice BOA® has the added benefit of BOA® Fit System technology for a fast, effortless precision fit and on-the-fly adjustability. The boot is also kitted out with Thinsulate™ insulation and water repellent materials to keep your feet toasty and dry during those long skate sessions. The Stability Plus Cuff compliments the SoftBoot design bringing confidence-inspiring support and stability, while the injection locked pre-sharpened blades keep you performing at your peak on the ice!

SIZES:	5 - 14
BOOT:	K2 Softboot®
LACING:	BOA® Fit System
CUFF:	Stability Plus
BLADE:	Stainless Steel Hockey
LINER:	Thinsulate®, Water-Repellent

F.I.T. ICE PRO

An excellent middle-tier choice for ice skaters of all ability levels, the F.I.T. Ice Pro delivers on both comfort and performance. This skate is built around our Original SoftBoot® technology backed up by the Stability Plus Cuff promising a plush feeling fit and long-lasting comfort with confidence-inspiring support. With the added benefit of Thinsulate® insulation and water-repellent materials, your feet will stay warm and dry all day out on the ice with this unique, fan-favorite boot technology. The F.I.T. Ice Pro takes lacing and fit to the next level with the Speed Lacing System, providing a quick and easy way to get in and out of the skates and lock in a secure, fine-tuned fit. An injection locked stainless steel blade rounds out the design to keep you gliding and edging like a pro!

F.I.T. ICE

The F.I.T. Ice is one of the most comfortable recreational ice skates on the market thanks to K2's award winning Original SoftBoot® design. This unique technology brings next level comfort and breathability to the skating experience and is backed up by the Stability Plus Cuff which provides ample support and flexibility. Perfect for year-round skating at the rink or winter skating on frozen ponds, the F.I.T. Ice features water repellent materials and a warm brushed lining to keep you skating in comfort. The injection locked stainless steel blades are pre-sharpened and keeps you gliding smooth and edging clean on the ice.

ALEXIS SERIES

ALEXIS ICE BOA® FIGURE SKATE

Experience grace and style on the ice with the Alexis Ice BOA® Figure Blade! This skate takes all of the tech and features of our premium Alexis Ice BOA® but swaps the standard blade for a figure blade. While all our skates feature the legendary comfort of K2's Original SoftBoot® design, the Alexis Ice BOA® Figure Blade has the added benefit of BOA® Fit System technology for a fast, effortless precision fit and on-the-fly adjustability. The boot is also kitted out with a Thinsulate™ liner and water repellent materials to keep your feet toasty and dry during those long skate sessions. The Stability Plus Cuff compliments the SoftBoot design bringing confidence-inspiring support and stability, while the injection locked pre-sharpened, stainless steel blade keeps you performing at your peak on the ice!

ALEXIS ICE

The K2 Alexis Ice Skate is with the K2 Original Softboot®-Design one of the most comfortable recreational skates on the market - perfect for casual ice skating on the ice rink or on a frozen lake. Its warm inner lining and water-repellent materials are designed to keep your feet warm and dry. For 2022, the Alexis Ice has an updated supportive mesh upper to keep the style sporty and the comfort comfortable. All our Alexis models perfectly fit on slim feet and low footbeds. Moreover the cuff has been shaped for a deeper calf fit. And through the Stability Plus Cuff the Alexis Ice provides - unusual for a recreational ice skate - a lot of stability. The stainless steel blade is easy to sharpen - for perfect glide and stop, every time.

SIZES:	4 - 11
BOOT:	K2 Softboot®

YOUTH SERIES

RINK RAVEN BOA®

The peak performer of our youth recreational ice skates and highlighted by the BOA® Fit System, the Rink Raven BOA® makes it easy to dial in a fast, effortless precision fit while also making entry and exit a breeze. Featuring an integrated blade mount that lowers a young skaters center of gravity, the Rink Raven BOA® makes it easier to maintain balance while skating. It also features the K2 Original SoftBoot® with a brushed liner and water repellent materials keeping feet warm, dry and comfortable. Last, but far from least, the Rink Raven BOA® also features five sizes of adjustability, meaning the skate grows with your child's feet.

SIZES:	8-12, 11-2, 1-5, 4-8
BOOT:	K2 Softboot®
LACING:	BOA® Fit System
CUFF:	Junior BOA® Cuff
BLADE:	Stainless Steel Hockey
OTHER:	5 Expandable Sizes, Water-Repellent

RAIDER BEAM

The Raider Beam brings the fun with blue LED lights in the toe and tongue for a one-of-a-kind ice skating experience! The battery-operated lights are activated by a button on the tongue and feature three flash patterns – solid, fast flashing and slow flashing. It’s also packed with the functional features that our ice skates are known for. It starts with the Original SoftBoot® coupled with the Junior Cuff creating a comfortable yet supportive skating experience. The water repellant boots also have Thinsulate™ insulation so feet stay warm and cozy out on the ice. The Raider Beam laces up with our Speed Lacing System, which allows for quick entry and exit as well as a fine-tuned fit.
